FINAL NOTICE OF DISBARMENT

Case No. 11-95-RD

Notice Issued: March 3, 2014

Michael R. Carithers, Jr., P 45614, Southfield, Michigan, by Attorney Discipline Board, affirming the hearing panel's order of disbarment.

1. Disbarred
2. Effective August 17, 2011

In a reciprocal discipline proceeding under MCR 9.120(C), the Grievance Administrator filed a Petition for Order to Show Cause, accompanied by a certified copy of the Opinion and Order of the Court of Appeals of Maryland, in *Attorney Grievance Commission of Maryland v Michael Robert Carithers, Jr.*, Misc. Docket No. AG 18, September Term 2010, disbaring respondent's license to practice law in the State of Maryland, effective August 17, 2011. The panel found that respondent was afforded due process of law in the course of the original proceeding and that respondent had failed to persuade the panel that the imposition of comparable discipline in Michigan would be clearly inappropriate.

The panel ordered that respondent be disbarred from the practice of law in Michigan, retroactive to August 17, 2011, the date of his disbarment from the practice of law in Maryland. Respondent filed a petition for review and stay of discipline. The Board granted the petition but denied respondent's request for a stay of discipline. The Board conducted a review hearing and, on January 31, 2014, issued an order affirming the hearing panel's order of disbarment. Total costs were assessed in the amount of \$2,197.88.
