(By Consent)

Case Nos. 24-46-JC; 24-47-GA

Notice Issued: August 14, 2024

Robert S. Strager, P 30896, Southfield, Michigan

Reprimand, Effective August 14, 2024

Respondent and the Grievance Administrator filed an Amended Stipulation for Consent Order of Discipline in accordance with MCR 9.115(F)(5), which was approved by the Attorney Grievance Commission and accepted by Tri-County Hearing Panel #76. The amended stipulation contained respondent's admission that, as set forth in the Notice of Filing of Judgment of Conviction, he was convicted by no contest plea of disturbing the peace under City of Birmingham Ordinance 74-156, a misdemeanor, in *People of the City of Birmingham v Robert Strager*, 48th District Court Case No. 21-BC00718. The stipulation also contained the parties' agreement that the allegations contained in Formal Complaint 24-47-GA relating to respondent's failure to report his conviction would be dismissed.

Based on respondent's conviction, admission, and stipulation of the parties, the panel found that respondent engaged in conduct that violated a criminal law of a state or of the United States, an ordinance, or tribal law pursuant to MCR 2.615, in violation of MCR 9.104(5).

In accordance with the stipulation of the parties, the panel ordered that respondent be reprimanded. Costs were assessed in the amount of \$799.44.
