**NOTICE OF SUSPENSION**  
**(By Consent)**

Case No. 16-74-RD

**Notice Issued: December 29, 2016**

Eric A. Mader, P 75028, Tampa, Florida, by the Attorney Discipline Board Tri-County Hearing Panel #14.

Suspension - 18 Months, Effective December 28, 2016

In a reciprocal discipline proceeding under MCR 9.120(C), the Grievance Administrator filed a certified copy of a Conditional Guilty Plea for Consent Judgment and Order of the Supreme Court of Florida entered by the Supreme Court of Florida on May 19, 2016, in *The Florida Bar v Eric Andrew Mader*, Case No. SC15-2000. The respondent and the Grievance Administrator filed a stipulation for a consent order of discipline, in accordance with MCR 9.115(F)(5), which was approved by the Attorney Grievance Commission and accepted by the hearing panel. The stipulation contained respondent's acknowledgment that he received a suspension of three years in Florida, effective June 18, 2014. The parties' agreed that a full three-year suspension in Michigan is not comparable discipline pursuant to MCR 9.120(C)(2)(b), and would be unduly harsh. The parties stipulated that an 18-month suspension of respondent's license to practice law in Michigan constitutes comparable discipline in this matter.

In accordance with the stipulation of the parties, the hearing panel ordered that respondent's license to practice law in Michigan be suspended for 18 months. Costs were assessed in the amount of \$772.08.
